**Part III.**

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.  
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

  
 (Examiner/SPE Signature)

\_\_\_\_\_  
 (Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: the examiner called to suggest changes to make the claims allowable over the prior art of record. The changes related to further defining that the securing means (i.e. the lands and serpentine passageways) fix the seal element to rotate with the shaft and form a labyrinth seal to prevent leakage. The suggestion was approved and entered via examiner's amendment..
